### The reason why

we sell most of the Motor Cars is because we never have handled any but the acknowledged thoroughly high class makes of proven reliability—made by the largest producers of only the best.

It pays, in the end—better in Motor Cars than all else—to pay the price, get it right and take no chances.

**POPE-TOLEDO**—the *Auto-de-luxe*.

**CADILLAC**—Unequaled moderate price.
